FALL REDUCTION AIM STATEMENT:
Decrease the incidence of falls by 27% within the next six (6) months ending in September 2025
MEASURES:
➢Falls occurring in the facility
➢Timing of falls
➢Causes of falls
RESULTS:
Our goal is to decrease our fall by 27% which was successfully achieved.
There were nine (9) reported falls during 2024 collaborative months (April-September).
In 2025, we have four (4) reported falls.

FALLS
LITTLE SISTERS OF THE POOR MISSION, VISION and VALUES
OUR VALUES
CHANGES BEING TESTED:
➢Established a consistent and regular schedule of toileting. Provision of beside commode for night shift toileting.
➢Involve family members for those residents who are asserting independence.
➢ Huddles with direct care givers after each fall incident to identify the root cause of each fall for personalized & individualized care plan.
➢Involve other departments to provide assistance in responding to call lights and monitoring of the residents during shift reporting and toileting after meals.
➢Assign a staff member to provide frequent rounding throughout the shift
➢Assign a staff member to monitor each hallway on the unit especially during the night

ABOUT US
We are a non-profit home with 50 LTC beds and 10 SNF beds. Our newly renovated ALR with 45 private rooms just reopened October 2025.
The mission of the Lisner-Louise-Dickson-Hurt Home is to provide extraordinary health and life care services to low and modest income seniors of the District of Columbia, empowering them to live their lives to the fullest.
Our family is committed to seeing the truth and beauty of growing older.
We take our vow to care for the whole person seriously. Always remembering that ours is not a relationship of a moment but, rather, a relationship build upon a history of living life to the fullest.
Time and age need not be a gift of the past but a promise of a full and well-spent future.
